

Jellyfish Pod Steppers

Don't worry, these Jellyfish won't sting. Kids will love going to any ocean themed playground or water park to play on these Jellyfish Pod Steppers. They can jump or walk across these beautifully crafted creatures. Our artisans pay close attention to detail to hand paint all of our amazing sculptures. You won't find anything else like this, anywhere. They are made from glass fiber reinforced polymer. They can be made translucent as well. Give your playground a bit of glow in the dusk hours. Hop over to the Leap Frog Forest to see the glowing frogs we made for the Perot Museum in Dallas, TX. You dream it, we can create it.
