

Kangaroo with Joey 1

You don't have to take your kids to Australia for them to interact with a momma and baby kangaroo. The 4 Kids' Kangaroo and Joey Play Sculpture brings this little Australian family to the park. Wildlife is wildly popular with children on the playground and the fascination kids have for zoo animals blossoms with this kangaroo and her tucked in offspring. Best of all, however, the kangaroo is a climber, encouraging kids to climb and crawl and explore nature's best bouncer. Well-made and lifelike, the play structure is virtually maintenance free. Looking for something from down under for your playground? Talk to our experts, today.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
