

Kelpie

No doubt about it --this kelpie is a cutie. The Brown Kelpie Sculpture is a climber that encourages preschool and elementary-age children to use their imaginations. Like all our play sculptures, this one is as durable as conventional kinds of indoor or outdoor play equipment. The material we use is well-known for its ability to hold up beautifully under everything from rough storms to harsh sunlight. The Brown Kelpie is great for dog themes, but it also works well with farm or ranch themes. The 4 Kids offers sheep play sculptures, allowing you to create a cool herding-themed play area.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
