

Kuray Rock Climber

The Kuray Rock Climber stands tall and inviting at 6.5 foot high. With lots of hand and foot holds this will be a definite playground favourite with slightly older kids who will love the challenge of scaling its rocky surfaces. Strong and sturdy, it is constructed from exceptionally durable glass fiber reinforced concrete and can withstand any weather conditions and even fire. The 4 Kids have designed this Kuray Rock Climber to complete your perfect play environment.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
