

Labrador

Give kids at your park or attraction a special play pal: the beautiful Labrador Play Sculpture. From tongue to teeth to tail, we've crafted every detail (except for the drool!). Our team engineers this sculpture using material that's safe for kids and tough in any weather. The pigments are stable in UV light so you can expect the finish on this climber to stay beautiful for many years. Like all The 4 Kids play sculptures, this one is crafted to the highest standards in playground safety. It's a unique addition to themes like dogs, animals, hunting, or assistance animals.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
