

Mushroom Seat

Whimsical and painted the iconic red and white, the Large Mushroom Seat will fit into almost any setting. Angled perfectly for little ones to slide on top, this seat sits just under 2ft tall. Placed in gardens, children's museums, daycares, or playgrounds, everyone will want to take a turn. We have many mushroom themed play pieces and canopies to choose from. They are made from gfrc or gfrp, a very long lasting, durable material that withstand just about anything nature can create. We made some giant mushrooms and tiny mushrooms for the Mississippi Children's Museum in Jackson, MS. Let us create something whimsical and charming for you play setting.
