

# Large Sierra Madre Rock

A larger version of our Sierra Madre Rock is made to entertain more children at once. This oversized rock climber is fantastic fun with two openings to run through and two platforms at varying heights. The Sierra provides a climbing challenge for older children who are at a more advanced climbing stage. Great for RV camp sites, summer camps, and parks. Sturdy GFRC can handle the weather and the climbers.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
