

# Lion King Sculpture

Standing tall with muscles rippling, the Lion King Sculpture from The 4 Kids is 5 foot 8 inches high. He strikes a spectacular pose and would add the finishing touch to any zoo, wildlife or safari themed playscape. Suitable for climbing and balancing, this work of art is sure to be a favorite with kids aged 2-12. Like all lions, he is very strong, made of tough GFRC materials and no rain, snow or wind can dampen his shine. Stand out from the crowd with the Lion King Sculpture.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
