

# Log Climber and Slide

This nature themed log climber and slide is a great addition to any outdoor play area.

The log is created to mimic a tree of nature. With this nature themed log slide your kids will feel like they are playing out in the natural world! These are crafted from a long lasting durable material called glass fiber reinforced concrete. This material is low in maintenance and high in durability. Here at The 4 Kids we love to inspire a natural playground area for the children to engage in. Our log slide can be made with or without bark. Let our designers help you create a nature themed playground that your kids are sure to love!

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
