

# Log Racing Slide

---

---

A little friendly competition between playmates is always fun, especially when it means sliding down The 4 Kids' Log Racing Slide, tandem slides set side by side for maximum fun in a sliding contest. Who will reach the ground first? That's a fascinating challenge eagerly accepted by kids in the park, playground or tree house themed play center. Designed with a log race in mind, little pre-school lumberjacks are delighted with this unique work of playground equipment, which happens to have built in safety and durability for years of fun on the playground.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
