

Log Stack

Crawl, climb and jump over obstacles! We want to encourage little ones to build confidence and master their motor skills by offering different style climbers. These textured logs are made using glass fiber reinforced concrete. It is a great material that can be molded and colored to resemble just about anything. These logs will blend right into a nature themed playscape. Add some *Log Crawlers*, a *Wyoming Swing Set*, and *Stump Steppers*, and kids will feel like they are in the forest, tackling nature's obstacles.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
