

Malaysian Lamp Post Sandstone

Exotic and fascinating, the design of The 4 Kids Malaysian Lamp Post Sandstone draws the eye and sets an enchanting tone for themed décor plans. An impressive and unique lighting feature, the Malaysian Lamp Post is perfect for Jungle or Island themed Water Parks, commercial playgrounds, indoor or outdoor fun centers or entertainment venues everywhere. At 6 feet tall, the Malaysian Lamp Post Sandstone lends a dramatic flair to walkways, tropical gardens, retail outlets, even dining areas in theme parks or playgrounds. Placement doesn't have to be a concern for park maintenance staff, however, since the lamp posts are crafted by playground structure experts and made from high quality resin materials that keep looking great in all weather, and even resist damage caused by saltwater spray and sand. Virtually maintenance free, these Malaysian Lamp Posts put the fun in functional as part of the park or playground décor scheme, setting the stage for family entertainment to delight kids and adults alike for years to come.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
