

Mammoth Climber

Climb back through time on this life size mammoth. This large skeleton embedded in rock will give your budding paleontologist the inspiration along with exercise they need. This mammoth measures 20 foot in length and 8 foot in height. It is made from the most durable glass fiber reinforce concrete that will ensure this climber remains in great condition year after year. Want a custom size? No problem, contact our design experts to create a one of a kind piece.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
