

Mastiff Play Sculpture

Look at that face! Young visitors and guests will be drawn to the Mastiff Play Sculpture. Standing more than 32 inches high, this friendly dog is ready to play. The 4 Kids team designed the climber to withstand the rigors of active children. Plus, we've used an all-weather finish that stands up to everything from harsh storms to bright sunlight. When you want to know how to build a playground that sticks in kids' memories, the Mastiff--or any of our dog breed sculptures is a unique way to achieve that goal.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
