---

We're pretty sure no one can resist the cuteness of this Mastiff Pup Sculpture. Kids of all ages will want to get close to this little one. Our artisans crafted this climber with realistic features, including shaded fur details and wrinkled brow. Just the right size for the toddler and preschool set, the play sculpture is built using material known for its resilience and strength. Children can climb, play, and love the Mastiff Pup. Add it to playgrounds with themes like pets, dogs, or baby animals.
