

# Medici Urn

A Renaissance style planter, designed for placement in outdoor or indoor gardens, hotels, parks, or resorts to add a bit of style. Sculpted in Greenville, Texas, the artists enjoy creating authentic replicas of familiar artifacts to enhance décor. Customized for size and client preference, this urn design makes a beautiful statement at entry gates and along walkways. Crafted from environmentally safe and weather resistant material, this planter requires very little maintenance for years of use in all weather.
