

# Mini Schnauzer Pup

---

---

On a scale of 1 to 10, this little one scores an 11 for super cuteness. The Mini Schnauzer Pup Sculpture is practically a child magnet. Our artisans designed this climber to feature lifelike details that draw attention. But there's more to this puppy than a sweet face; it's built using material engineered for durability and strength. You can count on this piece to be resistant to harsh weather, bright sunlight, and romping toddlers. We also offer adult Mini Schnauzer Play Sculptures so you can create a doggie family for kids to play with.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
