

Mini Schnauzer

Does that bearded face suggest a wise companion? Or perhaps a mischief-maker ready to romp? The kids who play with the Mini Schnauzer Sculpture will be happy to answer those questions. Constructed with material that's as tough as it is beautiful, this climber is built so children can balance, play, and use their ginormous imaginations. We incorporate sunlight-resistant colors, so the realistic markings will keep their look for years. This unique play sculpture adds kid-friendly fun to parks, preschools, daycares, and places with themes like dogs, pets, or animals.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
