

Morgan Bollard Planter

The simplicity of the Morgan Bollard Planter makes it a beautiful addition to venues, public or private gardens, resorts, and more. We construct this using the same high - quality materials used in exterior walls and other architectural products, which provides an excellent value and long service life. The Morgan is resistant to weather, UV light, and corrosion. It's also resistant to impact, making it an ideal option when you need an attractive and functional security planter. The 4 Kids offers this in a range of colors and several finishes, including stone (shown) and concrete. Don't settle for less when you need site amenities -- let us help you make your project a success.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.

Contact Us
