

Moro Rock

The Moro Rock is a great addition to parks as it provides a balancing activity for children ages 2 and up. A safe height to give just enough challenge to the young ones ready to strengthen their little muscles. Combine this with other rocks or a log climber for some naturific fun. Balancing helps build strong muscles, core strength and self confidence. Our rock climbers are made using glass fiber reinforced concrete which requires little due to its superior resistance to harsh weather. Create your own Rockventure with our rocks and boulders!

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
