

Mushroom Steppers

Tiptoe through a storybook world, peek into fantasyland, and sit down on the cutest pink mushroom stools ever in your favorite theme park, commercial or community playground, splash park or family fun center. With The 4 Kids Mushroom Stools play structures, your park is a whimsical haven that offers a unique and awesome play adventure for everyone from toddlers to tweens to parents and grandparents. The 4 Kids Greenville, Texas studio is home to an impressive playground design team eager to work with the ideas brought to them by park planners and playground supervisors. Customizing the perfect set of Mushroom Stools will mean The 4 Kids clients will place extraordinary works of playground art in their play centers that will serve to kick up the fun factor with charm and vibrant style. Not only appealing down to the last meticulous detail, the Mushroom Stools are virtually maintenance free, constructed of glass fiber reinforced concrete, known in the industry as smart concrete because of its indestructible surface and record of low maintenance in all weather.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
