

# Newborn Holstein Calf Sculpture

We can hardly stand the cuteness and your visitors won't be able to either! The 4 Kids Newborn Holstein Calf Sculpture practically begs little ones to get close. At 18 inches high, this baby is a kid-friendly size that makes it a popular play sculpture for toddlers as well as older children. Like all our animal sculptures, this climber is constructed with super-durable material that will maintain its finish and color for many years, making it a low-maintenance addition to your museum, attraction, or themed playground.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
