

Onion

Flavor any garden, children's museum, restaurant, or themed attraction with The 4 Kids Onion Sculpture. It's pictured here with the realistic finish, with details so natural looking visitors might be tempted to feel for a papery skin--what they'll find is a strong, highly-durable material that mimics the look of an onion. Ideal for themes such as healthy eating, garden, farm, or cuisine, this sculpture is a fun addition to any indoor or outdoor space.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
