

Orange Sculpture

It looks so good that visitors might want to squeeze this Orange Sculpture. However, our indoor-outdoor climber is actually made from high-quality, strong material that withstands storms, sunlight, and, yes, even squeezing attempts. The realistic finish on the Orange Sculpture shown here looks super-cool, but we also offer this in translucent finish, which gives you the option to light the play structure from the inside for a nighttime effect visitors will remember. The size is fully customizable so you get the perfect fit for your garden, children's museum, park, or attraction.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
