

Panther

Do you dare to enter?
A fierce looking panther awaits all those who dare to pass through the gates he protects. Welcoming those of all ages, is this meticulously carved panther sitting atop a well formed entrance at a hotel, resort or animal theme park. Although teeth are bared, this gentle creature is only playing. His gentler twin, without teeth, can be crafted as a climber for children at the park or museum. Careful detail and meticulous design, ensure the panther is weather resistant and safe for years of adornment.
