

## Parasaurolophus Balance Beam

---

---

This Parasaurolophus balance beam is a great addition to any prehistoric themed playground. Our safe design allows for the children to safely work on balancing skills. This balance beam measures 60" in length and 30" in width. This beam is constructed to match the skull of a Parasaurolophus; hand crafted from the strongest glass fiber reinforced concrete. This articulate attention to detail will ensure that this sculpture will stand the test of time and weather. Let us help you create the Dinosaur Park of your dreams; our expert team will help you bring your dreams from paper to reality.
