

## Parasaurolophus Sculpture

Kids love nothing better than a chance for interactive play with fascinating themes, such as Dinosaurs. The 4 Kids' Parasaurolophus inhabits that vast world of playground dinosaur structures, custom created by the experts in our studios. The Parasaurolophus is a favorite among children in the park, the playground or even at commercial play centers for family fun. Creating their own land of dinosaurs, children will enjoy hours of active play. The 4 Kids' Parasaurolophus is a perfect fit for a dinosaur theme park, constructed with glass fiber reinforced polymer materials and a selection of finishes. Safe and virtually maintenance free, the Parasaurolophus is amazing.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
