

Perched Owl Sculpture

This snow white bird captures the imagination. The Perched Owl Sculpture represents the nocturnal presence of some of the wild's grandest creatures. Safe to touch and hold, it can be used as part of an interactive learning exhibit or placed in a static display to inform and teach about wildlife. The 4 Kids endeavors to bring realistic creatures into innovative environments to exercise both the mind and body of our young people.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
