Perched Raven Sculpture

THE4 KIDS

The Perched Raven Sculpture is the perfect piece for an indoor or outdoor safari or zoo themed display. Its intense eyes and insightful posture captures the raven in its element as it surveys its surroundings. This black bird will look cool in a treehouse too. The 4 Kids endeavors to provide realistic creations that educate and entertain simultaneously. All of our designs are customizable, weather resistant and consider child safety in every aspect.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
