

# Dingo

The Dingo Sculpture is a unique way to interest young minds in the natural world. Our skilled artisans designed this piece, shown in the realistic finish, with lifelike features, including a pose that makes it seem as if the animal is in its natural habitat. Like all The 4 Kids play sculptures, it's crafted with highly-durable, child-safe material that allows kids to explore, balance, climb, and play. Add the Dingo Sculpture to children's museums, exhibits, or theme parks and attractions.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
