

# Pharaohs Hound Sculpture

The mysterious and mystical hound of the pharaohs lies resting on the playground, to the delight of kids who are fascinated with the idea of ancient Egypt. The 4 Kids' Pharaoh's Hound Sculpture, part of our Archaeological Adventures line, captivates children who are naturally drawn to its realistic features, interesting design and attentive expression. The hound is an exceptional addition to commercial or indoor parks or play centers, bringing ancient Egypt to life for young archaeologists, fueling the imagination and stimulating natural curiosity. Made of glass fiber reinforced polymer, this playground feature is long lasting and durable.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
