

Piglet Sculpture

Whether you need barnyard sweetness or a beloved literary character, the Piglet Sculpture is an adorable choice. Made from super-durable material, this piglet is ready to play. It's constructed to withstand climbing kids, harsh weather, and sunlight. Like all our play sculptures, it's suitable as outdoor play equipment or for indoor playgrounds. The 4 Kids Piglet is also water resistant, so it would make an attention-getting addition to water features. Ideal for museums, attractions, or themed playgrounds with a farm, animal, or children's books theme.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
