

# Barrel Crawler

Whether you're playing in the Wild West or searching the beach for treasures, this Barrel Crawler is an ideal addition to themed play. At four feet long and over two feet high, it's the perfect size for children aged 2-12. Children can crawl through, climb over, and sit atop to see across the playground. For a Frontier theme, pair it with our [Resting Horse](#) and [Wagon Wheel Climber](#). For an Pirate or Ocean themed setting, this would go great with any of our [rock climbers](#) and any one of our [Crabs](#).

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
