

# Pirate's Bay

What's more fascinating to kids than pirates, and what more adventurous place than an exciting Pirate's Bay Playground to while away hours climbing, crawling, sliding and exploring the make believe world of Pirates?! As part of a theme park or playground, commercial or community fun center or even a family resort or museum destination, the Pirate's Bay Playground is certain to impress. Meticulously designed by the playground geniuses in the studios of The 4 Kids in Greenville, Texas, Pirate's Bay Playground offers thirty feet of fun that includes two slides, a climbing rock with embedded anchor design, platforms, bridges and an authentically designed crow's nest for make believe fun with all kids and their mateys. Crafted with glass fiber reinforced concrete, Pirate's Bay is safe and sturdy, with virtually no maintenance requirements for years of service in all weather. Setting the stage for fun in any theme park includes superior play structures like Pirate's Bay as well as playscapes for kids and adults alike.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
