

Plesiosaurus Climber

Take a climb on the back of this plesiosaurus and swim through the past. This fossil infused rock provides a great climbing and learning experience for the children. It will foster their curiosity for paleontology while being able to physically climb on life sized replicas. This prehistoric themed park playground will be the talk of the town. Let The4Kids develop a customized themed playground for your next project and take your town back to the Jurassic period. Our themed play is hand crafted from a durable long lasting material. This ensures creative play for years to come.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
