

Net Climber

Sometimes getting into the tree house is as fun as playing in the tree house. The 4 Kids' Net Climber provides a delightful challenge for kids who love climbing. A network of ropes provides a unique and authentic looking climber that brings kids into an awesome tree house, often in a theme park, or community or commercial playground. Well-constructed for kids 5 to 12 years old, the Net Climber is created for maximum safety and minimum maintenance, as well as fun. Inviting and as charming as a day in the deep woods, the customized Net Climber is a kid's dream come true.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
