

# Lily Pad Post Topper

---

Create your own wonderland theme park or spray ground with amazing décor elements, such as the Lily Pad Post Topper. Add a Water Lily atop the lily pad. Its design is a flawless replica of the real thing. Mounted on posts, use it to mark pathways, define queue lines or to entertain at the water park. Water rains down from the top of the lily pad for kids to run under and get soaked. Glass fiber reinforced polymer construction ensures years of high quality and low maintenance no matter what the conditions.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
