

Polar Bear Chair

Be cool with The 4 Kids Polar Bear Chair. We've constructed this animal furniture with high-quality, strong material that's suitable for indoor or outdoor use. Our team also uses UV-stable pigments, so the colors will stay fabulous despite weather and sunlight. The Polar Bear Chair is shown here in a realistic finish, and visitors will be delighted by the natural-looking surface and facial details. Imagine this seating in a public aquarium, zoo, water park, theme park, or children's museum. It's also a unique addition to Christmas-themed attractions or displays.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
