---

This Pomeranian Play Sculpture is up for whatever young imaginations have in store for it. While it looks like a ball of fur, this is actually a super-sturdy play sculpture and climber. The details are lifelike and feature sculpted fur detailing, perky ears, and a sweet face. It's engineered using kid-safe material and is the perfect size for young toddlers through preschoolers. Suitable for outdoor or indoor play, this sculpture adds fun to public parks, children's hospitals, daycares, or children's museums.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
