

Baseball Post Topper

Decorative posts used to guide guests and visitors are common at most entertainment venues. This Avocado Post Topper is a favorite in restaurants, gardens, south of the border theme parks, children's museums and playgrounds. A perfectly rendered replica of a real avocado, the post topper is often used as part of a garden themed set. The high quality construction ensures they will retain their superior appearance for years to come with almost no maintenance required.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
