- Fun playground choice for schools, parks, museums, or attractions
- Investment - Attractive look, great play value and minimal maintenance combine to offer a positive long term investment for your community

The Queens Yard Playground

The 4 Kids Queens Yard Playground is waiting to roll out a royal welcome for your kids on their next visit to the park, including slides, walkways, tunnels and turrets, plus a set of castle walls from which to watch over the kingdom. Crafted expertly with realistic looking stone masonry, old world design and meticulous detail, the Queens Yard will convince your child he has stepped back in time to the days of knights and medieval adventure. This astonishing work of playground art beckons to every kid and urges them to bring their energy and imaginations for hours of fun and make-believe. Of course, parents and park staff are happiest to learn of the expert team of designers responsible for creating The 4 Kids Queens Yard Playground structures. Talented artists and engineers make safety the number one priority in every design, and the Queens Yard Playground is constructed using glass fiber reinforced polymer materials for durability and long wear through all kinds of weather and stress. The results - amazing adventures on the playground in a safe, low maintenance setting for years of fun and enjoyment.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
