

Raven Sculpture

Sleek and black, the raven is a frequent subject of myth and poetry, honored by Native Americans, and is often seen as a playful prankster. This Raven Sculpture, exquisitely crafted by The 4 Kids, will do justice to any display or exhibition. In a natural pose, perched on a branch, open-mouthed in mid-squawk, this beauty comes in three finishes; bronze, concrete or realistic. It is made from resilient GFRC and will do equally well indoors or outdoors.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
