

Raven Wall Sculpture

“Said the Raven,
nevermore!”
Bring to mind the
mystique and majesty
of one of literature’s most
quoted birds in The 4 Kids
Raven Wall Sculpture. This black
bird implies mystery and knowledge
in one shrewd look as it gazes out
upon the world. Perfect for use indoors
for theme décor pieces and wildlife
displays, its durability will keep it looking
new for years. Birds are among the most
expressive in the animal kingdom and this
sculpture has a lot to say!

The 4 Kids was born out of a
desire to create high quality,
one-of-a-kind
park shelters and play
environments that
effectively appeal to
children’s natural curiosity
and imagination.
