

Red Chili Pepper

This Hot Chili Pepper Sculpture will look cool no matter where you display it. Our food sculptures grab attention at children's museums, theme parks, public parks, food courts, or restaurants. It's perfect for themes like garden, food, regional cuisine, or healthy eating. The 4 Kids team engineers this using material that's super-durable and resistant to weather, sunlight, and curious hands. The pigments and texture will maintain their look for a long time. We're showing two colors here--red and green--but we're happy to provide custom colors as well.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
