

Resting Zebra

This Resting Zebra Sculpture is great for children to climb over and sit upon while playing at the park. The back of the zebra sits nice and low for little ones to crawl all over. When designing your park, take a look at all of our safari themed play sculptures to see which ones fit into your plan. For the City of Nairobi park, there is a giraffe, sunken hippo and lion cub waiting for playmates to join in the fun. We also have a safari themed playgrounds. It's constructed from super-strong material that can withstand whatever children can dish out, plus the pigments are UV-stable so the colors and finish will stay bright for years.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
