

Rottweiler Pup Sculpture

Little ones won't be able to resist the Rottweiler Pup Sculpture. It's shown here in the realistic finish, highlighting lifelike details that will inspire kids to play and imagine. The climber is pint-sized, so it's perfect for toddler or preschool playgrounds. The 4 Kids artisans designed it with a material well-known for its durability in all sorts of weather and playground conditions. Our large collection of dog play sculptures also includes an adult Rottweiler, allowing you to display a doggie family for your guests and patrons.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
