

Rottweiler

The 4 Kids artists captured everything but the drool in this Rottweiler Play Sculpture. Our team designed this climber with child-safe materials that hold up super-well, even under rough play. It's strong enough for kids to balance and climb on, while the realistic finish engages the imagination. This pup is a fun play sculp-ture to add to indoor or outdoor playgrounds, military base parks, public parks, children's museums, and more. We have an entire collection of dog play structures, so be sure to check out the rest of our catalog.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
