

Saint Bernard Play Sculpture

This Saint Bernard Play Sculpture is ready for action. Our artisans craft this from durable, child-safe material that's strong enough to handle climbing toddlers and elementary age children. The realistic finish is shown, featuring beautifully-rendered attention to detail, from its sculpted fur to its sturdy paws. This play sculpture is a sweet addition to children's hospitals or children's museums, but it's also ideal for parks or attractions that showcase animal helpers. We offer plenty of additional breeds, so be sure to check them all out.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
