

# Saint Bernard Pup

---

---

The Saint Bernard Pup Sculpture is going to pump up the cute factor no matter where you display it: public park, preschool, daycare, or children's museum. This tyke is actually a climber that's the perfect size for young toddlers through preschool age kids. It's as sturdy as the breed itself and will maintain its look and finish through all types of weather conditions, from freezing cold to intense sunlight. Pair it with the adult Saint Bernard Play Sculpture to create a sweet family for kids to use in their adventures.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.
