

Saturn Space Sphere

Complete with rings, this Saturn Space Sphere demonstrates the real life look of this fascinating planet. The perfect piece for any display of space and the solar system, this The 4 Kids design is made to teach and provide opportunity to play. Kids will love to climb and balance on its dome while learning about science. Available in many different finishes and part of a larger planet set of sculptures, this piece can be used indoors or outdoors.

The 4 Kids was born out of a desire to create high quality, one-of-a-kind park shelters and play environments that effectively appeal to children's natural curiosity and imagination.

All of our products are custom designed to work perfectly with your unique playground. Let us know how we can meet your specific needs by contacting our knowledgeable design specialists, today.
